Look inside!

*This is the Cedarville you
really need to know.*

Real | Solutions

Take your talents far beyond the classroom as a Cedarville engineering student! You will have a chance to travel to competitions around the country and across the globe as you learn how to provide innovative solutions to real-world problems.

Real | Success

Like so many of our graduates, you, too, can go on to a great career with organizations like the Defense Intelligence Agency, the American Cancer Society, the FBI, General Motors, and NASA, not to mention memorable internships, including several at the White House.

Real | Worship

You will be encouraged and grounded in your faith thanks to the compelling music and uplifting music at chapel services that unite the Cedarville community every weekday morning.

Real | Cedarville

Real | Competition

As an athlete, you will have plenty to look forward to at Cedarville! In addition to dozens of intramural sports, our successful teams compete in baseball, basketball, cross country, golf, soccer, softball, tennis, track, and volleyball.

Real | Purpose

The study of Scripture is the hallmark of your Cedarville education. As you'll discover, the emphasis on knowing and applying biblical principles to your life and career is reinforced in chapel, integrated into classes, and built upon the required six-course Bible minor.
